

HAVE YOU EVER WONDERED WHAT A JUDGE IS LOOKING FOR?

Have you ever exited the ring and felt that you should have placed higher?

Or wondered why you didn't place at all?

As a parent or trainer, have you wished you could hear what the judge has to say first hand?

★ If you have, this clinic is for YOU..... ★

This clinic is being offered with the competitor, spectator, trainer, judge and parent in mind.
YOU WON'T WANT TO MISS OUT!

Mark Friday May 21st on your calendars for a very educational and informative opportunity!!!

William Moroney will once again donate his expertise on Friday, May 21st beginning at 5:30. Watch, listen and learn as he illustrates for you through the aid of a group of Hunter and Equitation riders, what common mistakes prevent you from placing. Or...what gives one rider the edge over another.
