

## **Sponsor a Tree Create a Living Memorial**

At the Washington County Agricultural Education  
Center

4-H member, Mark Johnson, is leading a project to plant shade trees around the perimeter of the horse ring so that future equestrian events can enjoy the beauty and pleasure of relaxing in the shade.

Tree Sponsorship is \$150 which includes a 6-8 foot shade tree planted and staked correctly and a memorial/sponsorship plaque mounted on a stand at the base of the tree.

For more information on sponsoring a tree,
